Preamble

The Kalyan Singh Super-Specialty Cancer Institute is an autonomous Institute of the Government of Uttar Pradesh. It is envisioned as a state-of-the-art cancer treatment facility, and is slated to offer a complete range of clinical services for cancer patients, including end-of-life care, under one roof. It will also train doctors in various broad specialties and super-specialties; offer senior resident and post-doctoral certificate / fellowship positions; train nurses and paramedical staff; and focus on innovation and research aimed at providing cost-effective and value-based strategies for the diagnosis and management of cancer patients.

The institute is committed for DM/M.Ch/MD and Ph.D. program as per the norms of National Medical Commission of India in due course of time. Similarly, the Institute will start the Ph.D program in various specialties and sub-specialties as and when the laboratory facilities are fully operational.

The institute is now committed to start the one-year Post-Doctoral Certificates Courses (PDCC) and Post-Doctoral Fellowship (PDF) in the various specialties. In addition, the institute offers several non-degree/non certificate training positions, such as Senior Residents (Hospital Services) & Junior Residents in several specialties.

We are looking for the Post graduate students in certain disciplines to be admitted in the PDCC courses for 01 year duration, with having opportunity for specialized training in that disciplines for learning and acquiring the better skills in specialized field of work ultimate leading to a Post-Doctoral Certificate/ Post-Doctoral Fellowship certificate, which will be having a better opportunity for their future development plan. The above structured courses in various specialties are also running in various renowned medical institutions of the country.

The students admitted in PDCC courses, will be encouraged for the publication of the Research work done by him/her for the topic assigned to them during the said course.
